i. Welcome to RendezVous 2016!

You're finally here, in Toronto – Welcome! This is the third RendezVous we have held, and each time it has been a wonderful, and challenging experience. We pray and trust this time will also bring encouragement and discernment to many of the delegates – you!

We hope you will discover and experience that you are actually a part of a global family in our Lord Jesus Christ. We are all brothers and sisters. On top of that, we are also part of the Chinese Alliance World Fellowship (CAWF) family, where almost all of us are connected with Chinese blood, yet we are from a number of different cultures.

May the next few weeks be an unforgettable time for you, as God touches your heart, and changes your life forever. Be excited, as the Spirit moves!

Jason Wong

[Chair of the RendezVous 2016 Team]

ii. Schedule (7th – 14th July)

[illegible]

iii. Dos and Don'ts

1. Look out for what God is saying to you. RendezVous is an opportunity to hear from God, and to grow in your faith. Be open to be challenged.
2. Be consistent in spending time with God in daily devotion and prayer. Stay close to God!
3. Have fun! But use common sense and be safe.
4. Respect and submit to your leaders. Listen to, and follow their instructions.
5. Do not leave a venue/place without notifying a leader. Do not walk around in public areas alone – go in pairs or a group.
6. Detox from your phone (switch it off!). RendezVous is a rare chance to meet and fellowship with the Alliance family from around the world. Don't waste this opportunity staring at your phone.
7. Be mindful of the difference in culture and language. We come from different backgrounds, different countries, so we will behave differently. Respect and learn from these differences, and be united in diversity!
8. Be encouraging to others. There will be plenty of times that people are out of their comfortable zone, so be encouraging and positive to help others to grow.
9. Be wise in managing your sleep properly. Young people love to chat all night, but make sure you have enough energy during the day to absorb the wonderful truth and challenges God will throw your way.
10. Be flexible. Things may not run as initially planned, so the schedule can change at any time during Track A, or on the Track B STMs. When that happens, learn to adapt and enjoy whatever changes God allows.

iv. Prayer Walk (Downtown)

iv. Prayer Walk (Downtown)

iv. Prayer Walk (Downtown)

The Gay Village

Just north of this location is The Village, or The Gay Village. It is a predominantly gay identifying neighbourhood that has its own restaurants, and night clubs. There is an annual Gay Pride Parade that takes place just north of the neighbourhood. This year's Pride Parade took place yesterday on July 3, 2016. This parade attracts many tourists and visitors to Toronto for the weekend.

1. Pray for those who are struggling with homosexual thoughts to remain abstinent. Pray that they would have courage to speak openly to a brother and sister about their struggle.
2. Pray for the church to be a safe place for gay and transgendered members of the city and the church. Pray for the church to navigate through these conversations with truth of God in a loving manner.
3. Pray against the malicious 'anti-gay' talk that is on the lips of Christians, whether in off-handed joking, or with the intent to be hurtful.

Covenant House

This is a shelter for at-risk and homeless street youth. Their doors are open to youth ages 16 to 24, who because of religion, sexual orientation, gender identity or the circumstances have left their homes. These youth are given hot meals and a roof over their head. During the day they are not allowed stay at the shelter.

1. Pray for the youth to find something productive to do, so that they will not be caught up in illegal or detrimental activities.
2. Pray that the youth who have misunderstood and misplaced identities, would come to find their true identity in God. Pray for God to mend the brokenness in their lives and for restoration.

Yonge Street Mission: Evergreen Centre

The Evergreen Centre is a drop in centre for homeless and street youth. It is one of the many service offered by the Christian non-profit organization, Yonge Street Mission. The centre offers employment services, childcare, serves hot meals, provides showers and offers a safe place for the youth to hang out. Due to the large amount of volunteers, the centre is able to offer free health care like dental work, body physicals with doctors and nurses, and even acupuncture.

The Evergreen centre will be relocating to China town, where it has been met with disapproval by the residents. They are worried about the youth the centre will attract and service.

1. Pray for the youth to find Evergreen to be a safe and accepting place to come to.
2. Pray for the staff workers to be filled by the Holy Spirit to love and care for these youth. Pray that they serve as Christ-like models to these youth. Pray that through these relationship, the staff will have an opportunity to share the Gospel with them.

Queen's Park

Queen's Park is the location for the province's decision making in the Ontario Legislative Building. The Liberal Party recently changed the public school curriculum, introducing sex education at a much younger age (grade 1). This has been a polarizing issue, with some members in the church being strongly opposed and others being for it.

1. Pray for the leadership of the Liberal Party and for the Party Leader Kathleen Wynne. Pray for God's leading in this situation, and for Christians to be obedient to what he is calling them to.

2. Pray for Christian parents to discern what the best case of action is for their children. Pray for them to have the right words when their children come home with questions about what is being taught in schools.

University Health Network

This is a network of four hospitals, providing healthcare and conducting medical research. These hospitals are affiliated with the University of Toronto and serve as a teaching hospital for resident physicians, nurses, and other healthcare professions.

1. Pray that the residents and nurses would gain good experience so that they can practice with skill and precision.
2. Pray that God would heal miraculously, so that more would come to know his power and to call on him as Lord and Saviour. Pray for God's will to be done.
3. Pray for those who have lost loved ones, or for those who are suffering to find peace in God. Pray that God would be merciful to them and their family. Pray that the Christians around them would minister to them. Pray for the love of God to abound in this difficult time.

Chinatown

Having been established in the late 19th century, this is one of the oldest Chinatown's in the city. It is largely populated by immigrant families from Southern China and Hong Kong. Even with the recent influx of mainland Chinese people, Cantonese remains the primary spoken language. Although this is the original Chinatown in Toronto, there are many areas in the suburbs or Toronto where there is a large population of Chinese people. There are many Chinese churches across the city that provide Mandarin and Cantonese services. They are learning how to integrate non-Chinese neighbours into their churches.

Chinatown is the location that The Yonge Street Missions' Evergreen centre will be relocating to. The residents here are frustrated with the change and are fearful of the effect of the relocation. Some residents do not believe they were consulted adequately enough and are quite hostile towards the Yong Street Mission.

1. Pray for the next generation of leaders in the Chinese church to take new the responsibility of leading the church. Pray for the old leaders to give up this responsibility with willingness and humility.
2. Pray for the Chinese churches in Toronto to step out of their comfort zone in their outreach to those who are not Chinese. Pray that these churches would be a place of welcoming for all people, regardless of culture and race.
3. Pray for God to soften the hearts of the residents of Chinatown. Pray for their relationship with Yonge Street Mission to be mended and for an open line of communication. Pray for both parties to be quick to listen and gracious to one another.

Toronto Alliance Church (TAC)

TAC is an Alliance church that ministers to the impoverished people of the city. They provide weekly community nights with a food and clothing bank, worship, and a serving of hot food. Each of these night has a preaching of the Word or a personal testimony. TAC regularly invites the other Alliance churches in Toronto to participate and serve alongside of them in their ministry.

1. Pray for TAC's ministry to the impoverished and overlooked people of the city. Pray that they would have more churches and partners to come alongside of them.
2. Pray that they would be filled with the Spirit and empowered to continue to do the Lord's work. Pray that they would continue to be faithful to the Lord's call for their ministry.

CN Tower

The CN Tower is emblematic of the city of Toronto. It serves as one of the most identifiable icons for locals and outsiders. The Greater Toronto Area (GTA) houses more than 6 million people of many ethnicities and cultural diversities. It is a city that welcomes all people and all religions. There is a large mission sending opportunity in Toronto. Those who come to salvation in Toronto can return to their countries and homes with the message of the Gospel for their family members and neighbours.

1. Pray for the church to serve as the salt and light in not only the places they are comfortable but in the places of deep darkness and sin
2. Pray for the spirit of God to continue to move and for God's kingdom and will to be done in Toronto. Pray for God's rule and reign to cover the city and its inhabitants.

Toronto Stock Exchange

This is Toronto's Stock Exchange standing at the core of Toronto's multi-billion dollar financial district. As corporations grow increasingly wealthy they have just as large a social responsibility towards caring for those who are poor. A large part of the prayer walk has been spent praying for the poor and marginalized, however the rich and wealthy have to be cared and prayed for as well.

1. Pray for the leaders of these organizations to have compassion on those who are poor. Pray for their willingness to partner with churches and organizations who are helping the marginalized and outcast. Pray for their willingness to fund the projects that will lift many out of poverty.
2. Pray for the men and women in this district to see past the riches of this world, and to have a desire for the riches of the Kingdom of heaven. Pray that their identity would not be

rooted in the successes of their work, but that they would come to see themselves as Jesus' beloved.

3. Pray for Christian men and women to distinguish themselves in the corporate environment. Pray against the temptation to live and value what the secular world does. Pray for their ministry in the work place and for the obedience to uphold kingdom principles and ethics.

Nathan Phillips Square

Located at the centre of Nathan Phillips Square is Toronto's City Hall. This is where municipal decision making is done. In recent years, Toronto's former Mayor Rob Ford was infamous for his belligerent attitude and behavior, involving drug use and corruption. He recently passed away this past March after battling cancer. He left behind a widow and two young children.

1. Pray for the family and loved ones Ford left behind. Pray that they would find comfort in presence of God.
2. Pray for Christian political leaders to be Christ-like examples with their speech and with their actions. Pray against temptation and to abide by the Word and will of God. Pray against corruption and for the prudent spending of money.
3. Pray for more God fearing brothers and sisters to step into positions of leadership. Pray that these members would be those who are rooted in the Word of God and in prayer.

Court House

This is the original City Hall building of Toronto and has been converted to a provincial court house. The building's lease as a courthouse will expire at the end of 2016, with no official plan for its new use.

1. Pray that God's justice is enacted in this court house, that the judges would be just in their sentencing. Pray for

fairness and against the privilege of certain individuals. Pray that the city would know of God's mercy.

2. Pray that the future use of this building would bring God glory, and be used to advance his kingdom. Pray that the decision makers' choice of the next tenant would be a blessing to the city.
